Who are more thrifty—Men or Women?

Some say that women are more thrifty than men. We do not know about this. It is very much like saying that women are more honest than men. Nobody knows, and we don't think such questions as these will ever really be decided.

The thrift proclivity is not influenced by anything that is peculiar to either sex, in our opinion. Any man or woman with a brain and a backbone can be thrifty. Any thinking person can see the desirability of being thrifty, and any person with vim and self-control can be thrifty—man or woman, boy or girl.

Lieutenant Governorship. Developments in the political situation within the past two weeks have cleared the atmosphere as to winners may now be made with a degree of certainty that the candidates will run true to the form expected of them. Especially is this true with reference to the four-sided contest being waged for the Democratic nomination of Lieutenant Governor. It is clear to close political observers here and elsewhere in the state that this fight has narrowed itself down to a race between Senator Julian Gunn, of Henrico county, and Kenneth N. Gilpin, of Clarke county, with the odds at this time apparently favoring Senator Gunn. Senator J. E. West, of Suffolk, is figured as the third man in the race, with Colonel Bullitt Fitzgub, of Northampton county, bringing up the rear.

A careful survey of the situation by supporters of Senator West is said to have convinced them that their candidate could hardly expect to win this time. The fact that Colonel Richard L. Brewer, speaker of the House of Delegates, was also taken into consideration, and the view expressed that the voters might object to placing the gavel of both houses in the hands of men from one town. The feeling that the Suffolk senator in running in third position seemed to be spreading, and it is known here that numbers of his supporters have left him and joined the Gunn or Gilpin camp, feeling that a vote for West will be practically thrown away, though they hold the senator in high regard. Gunn appears to have landed the most of the former West followers. The pace, clearly, is being set by Gunn and Gilpin, and as the name stretch is entered bets are being made that either the Senator from Henrico or the gentleman from Clarke will preside over the 1922 session of the upper branch of the General Assembly. Senator West has a number of friends here who will support him.

"Ouija! What's the good word?"

MY YOUNG sister, HAS A Ouija board, AND SHE believes it. AND TALKS to Noah. AND I think she talks. TO HER best fellow. WHO'S DEAD but doesn't know it. AND I used to give her. THE LOUD, rude laugh. BUT I'M sorry now. BECAUSE LAST night, I WAS home alone. SO I got the board. AND PUT in a call. FOR JOHN Harleyeom. AND OTHER departed spirits. BUT THE line was busy. FOR NOTHING happened. THEN I cheated a little. AND IT spelled this. "GRAMMASHOTTA SEVEN."

SO I shut off quick. TO HEAD off any. FURTHER FAMILY scandal. THEN I stopped to smoke. A CIGARETTE. AND AFTER a while. I CRANKED up weelies. AND ALL of a sudden. IT STARTED off. AND QUICK as a flash. IT SAID something. "THEY SATISFY."

"SATISFY"—that's the good word. Just light up a Chesterfield and see what they blend them in that can't be copied, Chesterfield way. You'll say "they satisfy."

Did you know about the Chesterfield package of 10?
